Tommy Hunter And Complete Cast At Kinmount Fair

William Scott, Secretary-Treasurer of the Kinmount Fair informed the "Post" on Thursday that everything has been finalized regarding the stars who will be appearing with the Tommy Hunter Show at the Kinmount Fair on Saturday and Sunday, September 2 and 3.

The Tommy Hunter Show will feature some of Canada's top TV stars, including the Allan Sisters and The Rhythm Pals. Special guests will be Myrna Lorrie, Maurice Beaulieu, Al Cherney, Bert Nioso and the Travelling Men, and the Andy Body Dancers.

They will appear on Saturday at 2 p.m. in front of the grand stand and again on Sunday at 2 p.m. The group will appear in the exhibit hall on Saturday night at 9 p.m. for a show and dance.

Mr. Scott said Canadian Fiddle Champion Rudy Meek from Orillia will be at the Fair, along with his band. They will perform under the Pines at the

Fair on Saturday and Sunday at 3 p.m. and will also conduct an amateur show.

This year the Kinmount Fair will celebrate its 100th birthday with something for everyone. There will be two thrilling days of top quality entertainment.

The livestock show starts at 11:30 a.m. on Saturday with the big parade to the Fairgrounds at 12:30 p.m. This parade promises to be one of the best ever held in Kinmount, said Mr. Scott.

There will be special attractions, the Arabian Horse class in full Arabic dress and appointments, and an invitational horse drawing contest.

One of the highlights will be a display of antique steam engines and power units and an old time Shingle Mill will be in operation for everyone to see.

There will be many other items of interest for everyone including a Pony Show, and of course, a giant midway, with

games and rides.

To celebrate their Centennial year the directors of the Fair have been planning arrangements for many many months for the biggest and best show in the history of the Kinmount Fair, concluded William Scott.

In order to accommodate the Tommy Hunter Show, a large new covered performance stand has been erected opposite the 1,000 seat grandstand, and additional bleacher seats will be provided.

WILLIAM C. SCOTT SEEKS RE - NOMINATION

William C. "Bill" Scott, member of Parliament for the Riding of Victoria - Haliburton since 1965, has announced his intention to seek re-nomination at the Riding Association's Nomination Convention September 6th in Lindsay.

Murray Agnew, President of the Riding's Progressive Conservative Association, said it was decided to convene the Nomination Convention at this time because of the probability of a Federal election being called for late October.

Announcements of the Convention, and of Scott's candidacy, were made at a Beef Barbecue last Saturday in Kinmount, which followed an Association Executive meeting.

Scott, a Kinmount merchant and life - time resident of the Riding, won his house of Commons seat in 1965, and was returned in the Federal Election in 1968. Prior to entering federal politics he served as Reeve of Snowdon Township.

The Nomination Convention will be held in the auditorium of the Lindsay Collegiate and Vocational Institute, beginning at 7 p.m., and Agnew said that the Association extends a cordial welcome to non - delegates and interested members of the general public to the Convention.

PROGRESS TO CLOSE FOR HOLIDAYS

As of Thursday, August 31, the Minden Progress will be closed until Monday, September 18th. During that time there will be no publication of the Progress Newspaper.

COUNCIL VOTES AGAINST REGIMENTATION OF PROPERTY CONCERNING 5 ACRE LOTS

Reeve Charles S. Brandon in the Chair. Present are Deputy Reeve R. Windover; Councillors R. Booth, R. Gorrie, and D. Pritchard; Clerk - Treasurer Richard Parisotto; Road Superintendent J. Earl Hewitt and By - law Officer Sieg. Weiss.

Letter was received from Mr. A.J. Elie, Sr. Planner with the Ministry of Treasury, Economics and Inter - Governmental Affairs regarding approaches to development in rural areas. The following resolution was presented and a Roll Call Vote was requested.

R. Booth - R. Windover: That a letter of protest go forward to Mr. A.J. Elie, Ministry of T. E. and I. A. stating our objection to the regimentation of property as stated making it necessary for a rural lot to be 5 acres in area. We believe that ratepayers should have a choice in the matter and our By-law stating a minimum of 1 acre should in our opinion be retained. Carried.

R. Booth, R. Gorrie, R. Windover, D. Pritchard - Yea; C. Brandon - Nay.

Copy of letter from Mr. J.A. C. Auld, Minister of the Environment was received regarding the proposed sewage works. The proposed meeting with the (Continued on Page 7)

MINDEN SKATERS ATTENDED SUMMER SCHOOL

Four members of the Minden Figure Skating Club attended summer skating school during July and August.

Katie and Susan Leary and Kelly Greir went for one month while Kelly Beeney attended all summer.

Two test days were held at the end of each month and the girls were successful in passing the following: Kelly Beeney, 3rd figure, American, Tango; Susan Leary, American; Katie Leary and Kelly Greir, Fox trot.

Kelly Beeney also competed in competitions held at the Lakeshore in Toronto.

Tommy Hunter star of his own show, will be the top attraction at the Kinmount Fair this Saturday and Sunday, September 2 and 3. This promises to be a really big show.

CANNING LAKE

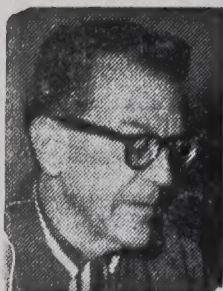

2 bedroom main cottage, 2 pc. bath, fireplace, screened porch plus 2 bedroom beach house with sauna, sand beach, year round access. \$27,000. Terms.

BRADYS LAKE

4 bedroom cottage, 4 pc. bath all panelled and insulated except floor, fully furnished, cottage and furniture in excellent condition, 175 ft. on lake 450 ft. deep, year round access. Don't miss this one \$22,000. \$8,000 down.

BOB LAKE ISLAND

2 bedroom cottage, combined kitchen-livingroom, fully lined, 3 boats, boathouse nicely wooded island, part sand and part rocky shore, 1,000 ft. from main land. Priced right at \$16,500.

HERE AND THERE

with Fenwick Finch

As you know by the Editor's Editorial of last week and the many mentions of it you can get special license plates for your car — for an extra \$25.00. I had a mind to get me a special number — one I've wanted for years. But, as the Editor pointed out there are certain rules covering what letters etc. can be used, they must have had me in mind because there is no hope of me getting the numbers I had my heart on — the number 4Q2.

* * * *

Speaking of the new plates, what an imagination our Government has, white with blue numbers. You'd think with all the designers in the country they'd come up with something else but blue on white and white on blue. Ah well, they run everything else the same way so why should they be any different in this.

* * * *

I had a fellow give me this definition of a taxpayer which I think is true. "Taxpayers — People who don't have to pass civil service examinations in order to work for the government."

Speaking of taxes I still think it is time the taxpayers got a little interested in things and follow up their education tax, after all, over 57 per cent of your tax dollar going into education is a bit much — especially when you don't have any say in the amount.

You've seen the notice that the paper will be on holidays for the next two weeks. This will give my "well-wishers" in Carnarvon a chance to get away from reading my column, "which the paper would be better without."

* * * *

We were just talking the other day about the lack of interest people have in things today — it seems like no matter what comes up little or no interest is shown, people just don't want to get involved. It's a sorry state of affairs and will soon lead to problems that will be difficult to solve then, the very people that won't speak up will be the ones to howl the loudest.

* * * *

There has been quite a bit of mail coming through from our good friend Earl Monahan along with publications that he has been getting the Haliburton Highlands boosted — when this fellow Monahan starts to roll there's just no stopping him — in the past few weeks he has gotten us more good publicity, the type you can't buy.

* * * *

Met a young lad on a motorcycle last week and I'm afraid this lad's days are numbered — there were two lines of traffic and he went through it riding on the white line. Maybe he's not interested in long life.

* * * *

Well another long week end is coming up, drive real carefully and enjoy it, and the times to come.

Get the "Holiday spirit" don't become one.

That's it for now, have a good rest and holiday. I'll be back in two week's time.

Fenwick

MINDEN PLAYGROUND

There was lots of hustle and bustle as the children prepared for the Talent Night, Thursday August 10. Over 30 children took part in this event in various ways. A variety of skits, rhymes and songs were performed for the small but enthusiastic audience. A thank you is to be extended to all the children who worked hard in putting this show on and also to the few interested people of the community who attended.

On Tuesday, August 15, the children were able to sit back and be an audience instead of always performing in their activities. Const. B. Connelly of the Minden OPP was on hand to give a talk on safety in boats, on bikes etc. He also had his scuba equipment here for the children to look at. It proved to be a very interesting afternoon.

The great hubbub of activities drew to be a climax last Thursday evening as the Minden Playground children hosted a Penny Carnival. There was a variety of booths for all, old and young. As last year, many were excited over the featured Haunted House. All the kids who were a part of this carnival are to be rewarded many thanks as there was lots of preparation involved which included skill and hard work. Thanks also to the many who attended and made the night one to be remembered in the minds of all. The highlight of the evening was the crowning of Miss Penny Carnival Queen. Chosen from nine girls, Miss Michelle McKelvey was crowned. Her 2 princesses were Miss Lisa Norris and Miss Sandy Walker. The lovely ladies in the court included Miss Michelle Mahar, Miss Werna Blakey, Miss Sheila Stevenson, Miss Coralea Crawford and Miss Tammy Short. Special thanks to Miss Andrea Burk (last year's Queen who presented the girls with the prizes picked especially for them. Thanks also to the judges, Mrs. R. Welch and Mr. Al Greir, whose job we're sure wasn't easy. Out of nine beautiful girls, how do you pick a winner?

Throughout the evening, tickets were sold on a cake and a door prize. Winner of the Lucky Cake Draw was Mrs. J. Johnston of Scarborough who makes Minden her home during the summer. The winner of the door prize, which was a stuffed white polar bear, was Miss Michelle McKelvey. Thanks to Mrs. Dube who picked the winners.

Well, the Minden Playground didn't end Thursday night. Many little busy bodies appeared Friday morning to tear apart all from the night before.

This week, our last week,

more has been planned for them. hear the kids say "Guess what to do. Races were held on Monday to see who really is the fastest! Non of them are slow!

As we look over the past two months we wonder where the time has gone, and already we

is in two weeks!" You can bet its' not a Fall Fair they're talking about. Especially in that tone of voice, but is really that bad!?

NOTICE

The office of Dr. John A. Purc B.Sc., D.D.S., will be closed for TWO weeks holidays commencing September 9, 1972.

Public Notice

SELECT COMMITTEE

ON THE ONTARIO MUNICIPAL BOARD

INVITATION TO SUBMIT WRITTEN BRIEFS

On June 30th, 1972, the Ontario Legislature appointed a Select Committee to examine, inquire into and report upon the Ontario Municipal Board and to make recommendations on: (a) the purpose, object and functions of the Ontario Municipal Board. (b) the jurisdiction of the Ontario Municipal Board. (c) the structure and organization of the Ontario Municipal Board. (d) the procedures and practices of the Ontario Municipal Board. (e) the procedures by way of appeal from the orders and rulings of the Ontario Municipal Board, including appeals by way of petitions to the Lieutenant Governor in Council. (f) the relationship of the Ontario Municipal Board in the discharge of its responsibilities with the Provincial Government, local government and the individual citizen.

The Committee invites written briefs from individuals and organizations who may wish to present information, opinions or suggestions regarding any of the above matters relating to the Ontario Municipal Board.

Briefs must be submitted by September 15th, 1972 to the Clerk of the Committee Box 233 Main Parliament Building, Toronto 182, Ontario.

John P. MacBeth, Q.C., M.P.P.,
Chairman.

Alex McFedries,
Clerk

Chamber Highlights

from the desk of Marion Arntfield

The regular meeting of the Haliburton Highlands Chamber of Commerce was held August 22nd, at the Haliburton Highlands Secondary School; there was a good attendance, and many matters of importance were discussed. As always, in discussing these matters, the interest of the members of the Chamber and of the County were uppermost.

It is apparent that there is misunderstanding in the minds of many people concerning the Annual Convention of District 8 of the National Kinsman's organization, which is to be held in Haliburton in May of next year, and the part the Chamber may have played in making it possible to have this Convention here. I would like to firmly state at this time that the Chamber had absolutely

nothing to do with the arrangements. All arrangements were made through the Lake Kashagawigamog Tourist Association, and the only gesture the Chamber made was to lend the Kinsman's Committee a few slides. Those slides were presented at their meeting in May of this year, at Niagara Falls. Congratulations to the Lake Kashagawigamog Tourist Association.

Mr. C. Wright, our President, is seriously ill, having suffered a severe heart attack last week. This is sad news. Mr. Wright is in the Red Cross Hospital in Haliburton, and NO visitors are allowed. Our thoughts go out to you, Carman, and every sincere wish for your complete recovery.

Please refer all Chamber matters to the office here. The Welcome Centre will re-

main open until Thanksgiving. I would ask those in the accommodation service to please call me if you will be open after Labour Day. This information will be helpful when directing visitors who call in.

Donna has left, and returns to Toronto shortly to take up her studies again at Ryerson. We have had a happy summer together, and I miss her.

May I once again remind all members who have not as yet paid their membership dues to please do so as soon as possible.

NOTICE

There will be a meeting on the evening of Tuesday, September 5th at 8 p.m. concerning the progress to date and the conditions of the contract. Meeting place will be at the Municipal Building. Everyone welcome.

SUMMER WIND - UP 1972

When I mentioned to someone the other day I was closing the next two weeks for vacation, they said, "when the Editor goes on vacation, the summer must be over." Well, for me it sure is.

Although I have spent a good many hours on the golf course, and in my pool at the front of the house, the summer always seems to keep me just a little too busy. Publishing two papers, the Progress and the Lake of Bays News, keeps everyone on their toes — and of course there is commercial printing as well to think about. Everyone in business, I am sure, feels the same as I do — it's great to be busy, but - - -

One milestone passed this summer was the contracting of the new arena. This project is expected to get underway the first of September and completion is set for the first of January — lets hope so. By the time I get back from vacation, I should see some piles of earth and sod heaped up and footings started.

I should mention the local contractors are donating their equipment and men to dig the foundation free of charge. This according to Sinc Nesbitt, who made this generous offer, said it would save the municipality some \$1,500. Congratulations fellows.

I have been asked a great many times to get off the arena subject and get on to something more important, such as sewers — well, I can give you a quick account on how this project stands. To start with the cost of sewers to this Municipality at the present is \$1,700,000. At the present we get a 50 per cent subsidy from the Provincial Government. To break this down in smaller figures, the cost to a taxpayer for an 80 ft. lot would be approximately \$214.00 total cost per year. If you were to faint at this figure, I wouldn't blame you, but, like the arena project, the longer we put it off, the more it will cost everyone. You must agree with me that sewers are inevitable, so now is the time to put them in.

One enlightening thought is, possibly the Ontario Government will boost their subsidy to 75 per cent. Reeve Charles Brandon and Councillor Reg Booth along with Clerk Richard Parisotto met with The Hon. James Auld, Minister of Environment last Wednesday about this very thing. From their meeting I was told Mr. Auld's Department have this increase under study and will let this Municipality know in two or three weeks. Apparently there are twenty-five other Municipalities in Ontario, in the same (almost impossible) situation we are in, and only through continued pressure, such as this meeting by council last week, will the government ever consider the increase in subsidy.

So, there you have it on sewers — living so close to the Gull River like we do here, sewers should now be priority, before it is too late. We can justify the cost, the problem is how do we pay it.

It would be great to hear the opinions of the taxpayers and see them in print — this paper is your voice. We will be back in two weeks, lots of time to write us a letter on the subject of sewers.

MINDEN FAIR RESULTS

Light Horse Division

Performance Classes —

Junior Western Equitation :
1. Amy Gardiner, Berea, Ohio;
2. Laura Lee, Windsor; 3. Sharon Lacy, Windsor.

The first prize winners in the Line Classes are : Al Lovering, Fenelon Falls, 1 first; Duane Miller, Bracebridge, 3 firsts; Herbert Roodenburg, Minden, 2 firsts; Clare Hayes, Cambray, 2 firsts; Gerald Henry, Cambray, 1 first; Ralph Roodenburg Jr., Minden, 1 first.

LIBERALS TO HOLD NOMINATION SEPT. 6

Victoria - Haliburton Liberal Association has announced its nomination convention will be held in Lindsay on September 6.

Association president James Flynn of Lindsay says the convention will be held at the Academy Theatre and it is expected the nomination will be contested.

He indicated three names have been submitted to him as possible candidates, but those persons will shortly make their own announcements.

Mr. Flynn said the association executive believes the forthcoming election is of particular importance to Victoria-Haliburton riding.

He says this feeling is based on the confident expectation the Trudeau government will be returned to power.

"It is therefore in the interest of this riding to have a member or the government side of the house and we wish to nominate a candidate who will be able to accomplish real things for the riding and not just perform a public relations exercise," he declared.

The association president says the executive agrees there will be some tough fights in Ontario in the coming campaign, "but we are not convinced the lead-

er of the opposition has persuaded the voters he is an alternative to Prime Minister Trudeau."

He also stated that the executive is of the opinion opposition leader Robert Stanfield is less popular in the Maritimes and will not be able to hold a block of seats in the east; that lack of organization and financial backing in Quebec will prevent the PC's making a break through in that province; and that wheat sales made recently in the west will lead to more Liberal victories in the prairies.

Mr. Flynn said a federal cabinet minister has agreed to address the Lindsay meeting, but details of this are to be released later when plans are finalized.

TO ALL HOCKEY PLAYERS —

POWER SKATING!

Sept. 11 — Oct. 15, 1972.

This year at Fenelon Falls we are introducing in conjunction with our Fall Skating School a program to aid hockey players improve their skating skills. The program is designed to assist, teach and improve hockey players in their skating performance on stops and starts; on forward and backward stroking; clockwise and counter clockwise; on forward and backward cross - overs; and to develop good body posture for proper balance.

Since the normal winter skating schedule commences late in October, we felt that a school of this nature would assist hockey players to develop earlier, be more prepared for the regular season and assist hockey coaches by reducing the amount of time devoted to actual skating development.

Equipment required during attendance of this school will be normal hockey equipment complete with "helmet" which is a must, and absolutely "no hockey sticks!"

For further information contact 887-3405 or write to Fenelon Falls Skating School, Box 34, Fenelon Falls. There will be a limit as to the number of applications that can be accepted. Closing date to be August 31, 1972.

SPORTS

CORNER

with CLIFF BURKE

Haliburton Huskies 1972 Senior Champions

The Haliburton Huskies are the 1972 Haliburton County Senior Softball Champions. The Huskies downed the West Guilford Redmen 9 - 4 on Tuesday evening in Guilford to take the series and the Championship four games to one.

After building a 2 - 0 lead in the first inning and then blowing it on a three run homer by Pat Morrison in the third, the Huskies came back in the fifth with six runs. Murray Kuno was the big gun in the fifth when he cracked a 300 foot homer with the bases loaded. Each team added a run in the sixth to complete the scoring. The game was called at the end of six complete innings, due to darkness and rain.

Haven Cook pitched superb ball throughout the playoffs winding up with a 7 - 2 won - lost record. The top three batters for the Huskies were Cliff Burke 588; Tony Salvatori 500; and Brian Walters 411.

Raiders Drpo O.A.S.A. Opener

Nervousness led to errors and errors led to a 6 - 3 loss to the Mount Albert Juniors. This is how our Stedman Raiders opened their best of three series with Mount Albert. However our boys are aware of how good the Albert team is now and I believe they will come through with victories in their next two contests.

Raiders Alive and Well

After dropping lop-sided 14 - 4 and 9 - 2 decisions to the Minden Merchants in the first two games of their best of seven play-off, the Stedman Raiders have bounced back and won three straight.

Sunday evening saw the Raiders win 4 - 2 with Dave Trepanier slamming a two-run homer for the margin of victory. Monday saw the Raiders whitewash the Merchants 6 - 0 in a spectacular pitching performance by Craig Stamp. Dave hit his second homer of the series in this game also. On Wednesday evening the Raiders came through again in the late innings to win 4 - 2. Pat Burns started things off in this game with his first homer of the series. The Raiders won this game on Merchant errors in the late innings.

Minden Pee Wees Tie Series

After dropping the opening game of their best of three series with Parry Sound 17 - 1, the Minden Pee Wees evened their series 1 - 1. Playing in Haliburton on Saturday afternoon, the Minden boys downed the Sounders 11 - 7. The deciding game will be played Saturday, September 2nd in Minden.

Uncertainties Of Sport

The world of professional sports has to be one of the big uncertainties in life. Leo Durocher gets fired by the Chicago Cubs, three weeks later he is hired to coach Houston Astros and Harry Walker is fired. Greg Barton is put on waivers by the Argos, but his salary is so high he will probably have to go back to the States. Graham Leggat is fired by the Toronto Metros, he is then insulted by the Metro organization when they asked him to stay on at \$75.00 a week as a public relations man. Edmonton Eskimos picked by the Experts to finish last in the Western Conference are as of this writing undefeated with a 4 - 0 record. Wally Gabler is back with the Argos. Matty Alou a 314 hitter with the Cardinals traded to the Oakland 'A's for a 188 hitter in Bill Voss. Canada goes against the Russians with five possibly six (if Orr doesn't play) of the best hockey players in the world not on the Canadian team. So much for Pro sports.

So long folks, back in two weeks.

JOHNSON OUTBOARD SALES AND SERVICE

Ontario is now putting together the biggest municipal enumeration in its history.

Without you it won't be right.

This is an election year for municipal councils, school boards and other local bodies in most of Ontario. An early step in these elections is the documenting of voters' lists. To assemble voters' lists we need to make an enumeration. This is done by the Province for each municipality.

But our municipal enumeration involves more than just voters' lists. It helps determine the division of education property taxes between the public and separate school systems. It lets the Province more fairly distribute grants to local governments to help reduce municipal tax bills. And it also helps provide us with an accurate population count.

Collecting nearly 8 million names and addresses, as you can imagine, is a big job. The

Province is employing 8,000 people to visit every residence in Ontario. When the government representative knocks on your door, the procedure is simple. The enumeration notice is pre-printed by computer with the names of everyone currently on record in your household. If you agree that the information is correct and complete, you simply sign

the notice. If there are changes, such as an addition to the family, corrections are made on the spot, verified and signed by you or any other adult in your household. If you are not home the notice is left, together with simple instructions. You mail it, postage free, only if there are changes.

You will be counted sometime between September 5th and 18th.

The Municipal Enumeration: September 5-18. Without you it won't be right.

Government of Ontario

Ministry of Revenue

Hon. Allan Grossman, Minister. Donald A. Crosbie, Deputy Minister.

CASH AND CHEQUES STOLEN FROM KINMOUNT STORE

A person or persons, unknown, stole a considerable amount of money Saturday noon from a Kinmount general store.

Between 1:00 and 1:15 p.m., Saturday a cash box containing a large amount of money in cash and cheques was removed from a small office in the rear of Scott's general store.

Owners report a cheque was cashed for a customer and the cash box was placed in a filing cabinet in the office about 1:00 p.m. According to the report shortly after the proprietor, Mrs. Wm. Scott, left for lunch, a clerk went to the office to obtain some small bills, and the cash box was gone. Coboconk OPP are still investigating the theft.

The exact amount of the loss is not definitely known, but a large amount of money is involved.

Since the bank in Kinmount is open only on Tuesday and Thursday, businesses in the village frequently cash cheques for their customers as a favour, and as a result, a considerable amount of money was kept on the premises.

Being a by-law to authorize the Reeve and Clerk to execute an agreement with Elmar Charles Hodson and Doreen Heather Hodson relative to a proposed subdivision on Part Lot 10, Conc. 12, Township of Minden. Carried.

R. Booth - R. Windover: That we do now adjourn. Time: 5:30 p.m. Carried.

RECORD SALES MONTH

The local real estate office of Bowes and Cocks Ltd. report record sales for the month of July. With their head office in Peterborough, they have expanded to a total of 21 offices throughout central and eastern Ontario. The Haliburton and Minden offices are considered as one under the management of Mr. W. Jack McKay.

Mr. McKay reports July as the highest dollar volume month since opening the branch in Haliburton in 1964. A dollar volume of 955,195 placed the local office second only to Peterborough and Kingston in total sales. Mr. McKay expresses his sincere appreciation to the sales staff and receptionist for their combined efforts in attaining such an outstanding achievement.

Before you use your back, use your head.

Throwing your back into something means that maybe you might just throw your back out. That's painful and no way to enjoy the nice things in life.

When you've got to

move or lift something, first test the weight. If you can't lift it easily, get some help. That's self-defence. And it works, for you and your family.

The sure way to safety is Self-Defence.

**RED TAG
SALES**

Don't be too shocked if you walk into your supermarket this winter and see the cashier totaling purchases without a cash register. It's coming, a new system which totals purchases according to signals from a clerk's voice.

The voice activated checkout system has been developed by Threshold Technology, and besides speeding up your check-out time, it could help lower your food costs by decreasing some labor costs.

The cashier can bag groceries at the same time that prices are entered onto the receipt tape. You can thus watch over your purchases better, since you will both hear the price called out and see it displayed.

Each unit will be programmed to the individual cashier who will be using it, adjusted for language, vocabulary, dialect, accent, etc. Corrections can be made with a voice command, and the new machine will also respond to such words as repeat, total, tax, check, etc.

A small microphone picks up the voice commands which are then transformed into the functions performed by the current cash registers.

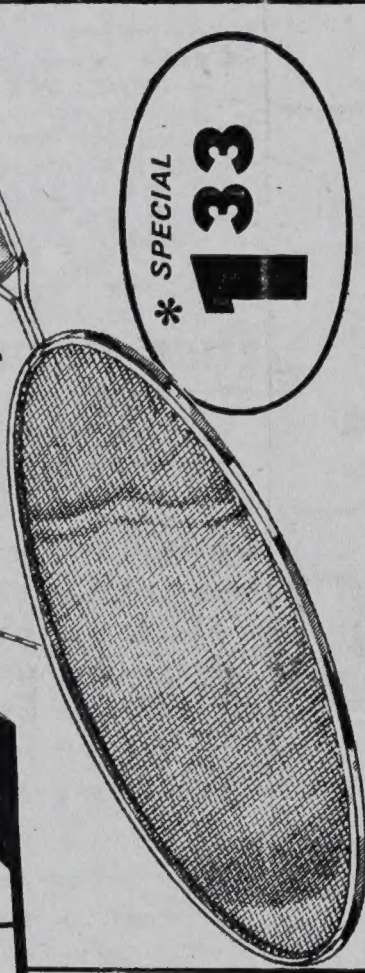

It's another new development which will make our shopping easier and possibly even cheaper. Look for it beginning this winter.

Readers' questions are welcome and should be sent to Box 5875 London, Ontario.

**SWEET CORN — KEEP COOL
FOR FRESHNESS**

While dimples may be attractive on a beautiful young girl they are a sure sign of old age on a kernel of corn. Plump kernels mean juicy, sweet and tender corn. Sweet corn has an extremely short shelf life. To maintain its freshness, corn must be chilled immediately after picking, held under refrigerated conditions and used within 1 to 2 days, say food specialists of the Ontario Food Council, Ministry of Agriculture and Food.

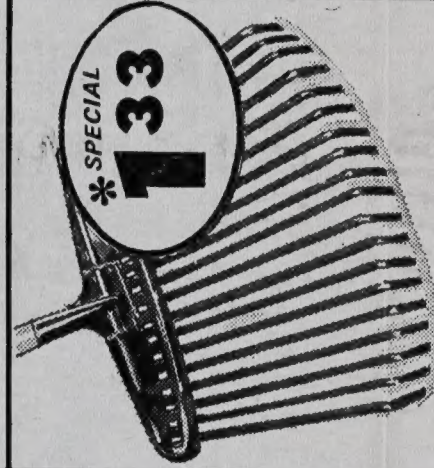

Most sweet corn is hydro-

specialists of the Ontario Food Council, Ministry of Agriculture and Food.

Most sweet corn is hydro-cooled. In other words, the corn is plunged into an iced water bath immediately after picking and held there for at least an hour. This lowers the internal temperature of the cob from approximately 85 degrees to a low of 35 degrees. Without hydro - cooling the corn continues to respire and the sugars, responsible for its sweet juicy flavour, are quickly changed into starch.

Although hydro - cooling helps to preserve freshness, sweet corn should always be kept under refrigerated conditions and used as soon as possible.

HALIBURTON GUILD OF FINE ARTS HELD ANNUAL GENERAL MEETING

The annual general meeting of the Haliburton Highlands Guild of Fine Arts, was held Thursday, August 10th, in the cafeteria of the Haliburton Highlands Secondary School.

Mr. Don Popple, co-ordinator of the Haliburton School of Fine Arts, acted as Chairman of the meeting. Mrs. Carol Duncan, President of the Guild was Co-Chairman.

The minutes of the last general meeting were read and approved.

Mr. Popple gave a short report on the Summer School, thanking the Board of Education and the Guild for their continuing co-operation.

Mr. Hodgson presented the new constitution of the Guild of Fine Arts, to the meeting, and pointed out a few changes which had been made.

A nominating committee was appointed for the 1973-74 Executive.

The financial report was presented by Mr. Gerald Dawson. It was moved and seconded, that Messrs. Dawson and Gray, be asked to once again audit the books for the Guild of Fine Arts.

Mrs. Carol Duncan gave the President's report, which consisted of an outline of all the activities sponsored by the Guild during the past year.

Reports were then presented by Mrs. Thilde Nevitt, on the Summer Exhibition; Mrs. Marilyn Palmer, on the Mary Schneider Art Show; Mrs. Carole Finn on the Pottery Group; and in the absence of Rick Poole, Don Popple, reported on the Summer Theatre.

The nominating committee's proposed slate of officers was accepted as follows:

President, Mrs. Carol Duncan; Recording secretary, Mrs. Doug Hodgson; Vice-president, Mrs. Phyllis Bishop; Treasurer, Mr. Jim Leworthy; Publicity, Mrs. Peggy Fawns; Directors, Miss Muriel Allport, Mr. R.J. Curry, Mrs. Don Finn, Mrs. Marilyn Palmer, Mr. Jan Augusteijn, Mrs. Thilde Nevitt, Mrs. Carole Finn, Mrs. Betty Morrow. Mr. Bruce Mills allowed his name to be added to the list of Directors.

After a short discussion of new business, the meeting was adjourned.

ABOUT THE TOWN

With Jeanne Sears

Now the Unemployment Insurance Fund is nearly bankrupt and we import labour to harvest some crops. Too bad our unemployed will not or cannot do this necessary work.

Congratulations to the newlyweds Mr. and Mrs. Peter Thompson (nee Jeanne Packard) whose wedding was Saturday.

We thought last week that our crowd was leaving but not so — many more arrived for the weekend as Toronto had two nights with record-high temperatures of 71. At least in our area it was cool enough for sleeping, anyway.

Sincere sympathy to the families and friends of the late Charlotte Kippen, Nan Hartle, James Arbuckle and Pierre St. Pierre whose funerals were since last week.

The Annual Fall Fair here had fine weather with a little breeze. The crowd was good, exhibits both in the building and outside were fine. There was a good Midway for rides and games and food booths were everywhere. The programme both days was continuous and interesting. We are sure next year the celebration of the Minden Fair will be better than ever.

This is the freezing or canning season for most people; noted that prices are higher and we understand that costs on some items will go higher than last year. The vicious circle is still here — strike for wages rise — strike again and so on.

Citizens at the Hyland Crest enjoying birthdays this month included Amy Easton, Annis Morrison, Margaret Morton, Charlotte Cooper, Alberta Webber, and Eliza Duffy. Belated good wishes to these ladies.

Jean and Ray Hyde who are presently at Brussels are again to move to St. Clements near Kitchener. They were here in the village for the weekend and their son Robert is spending a holiday with the Parisottos. We are sure many people were glad to say hello to Jean and Ray.

There has been for the past two weeks registration at the District High School when students would receive lookers etc. This saves a bit of time when school opens on September 5th. Wonder how many mothers give a huge sigh of relief after the summer holidays?

Our belated congratulations to Mrs. Erastus Robertson on winning the Jack Pot of \$500 at the Canadian Legion Bingo last Wednesday night; we understand she also had another big win that night as well.

An accidental death in the Royal Family when the son of Duke of Gloucester was killed in a plane crash. He was a cousin of the Queen and ninth in line for the Throne.

Mrs. C. Kellar of Toronto spent last week with Mr. and Mrs. A. A. Young. This week visitors with the Youngs are April and Mark Anderson, their great grandchildren.

Has been quite nice some of the week, some thunderstorms, and rain at times quite heavy, but not as serious as further north.

Cheerio until next week.

VICTORIA AND GREY SPONSOR ALMANAC

Ray Geiger, Philom, the Editor of the Farmer's Almanac, will be visiting Ontario from September 10 to 13 to help in the distribution of the 1973 Canadian edition for its sponsor, Victoria and Grey Trust Company.

It is possible that no other publication, other than the Bible and dictionary, has been read by more people (well over 4 million copies in 1972) than the Farmer's Almanac. It was almost a way of life for many of our grandparents and great-grandparents with its weather forecasts (there's a special Canadian section), and timing for the planting of crops, and treating of livestock, and then there are calendars, recipes, "wife savers", a fishing guide, history, astrology, astronomy, and last, but not least, the Almanac humour.

Ray Geiger has been the Editor for 39 of the 156 years of publication — there have been just five editors altogether. Ray graduated with honours in philosophy from Notre Dame University in 1932 and joined his father in the family business, Geiger Brothers Printing, Book-binding, and Advertising Specialties. One of his duties was to assist the Editor of the Farmer's Almanac, and in 1934 when the Editor retired, he asked him to take over.

Much of the material used in the Almanac comes from its army of readers (some 20,000 letters are received each year). The Bishop of Atlanta is a regular contributor, and so is a long-time inmate of a Kansas prison (he has lots of time to read and clip, but Ray hopes he is not serving a term for plagiarism). The recipes and household hints are contributed by the lovely Mrs. Ann Geiger, and the weather predictions are prepared by Harry K. Buie, a former Professor of Astronomy at the University of Florida.

The Farmer's Almanacs are not for sale, but the Canadian edition is distributed free as a good will gesture by Victoria and Grey Trust Company.

BOSHKUNG LAKE COTTAGERS HELD ANNUAL REGATTA RECENTLY

The good weather continued for yet another day, and sunny skies prevailed for the Lake Boshkung Cottagers' Association to stage their Annual Regatta at the Matabanick Inn on Saturday, August 5th. It was ideal for the record crowd of spectators.

The brisk wind created challenging conditions for the large number of competitors who took part in the Skiing Events. Many future champions performed before the very happy crowd of people who gathered to watch the Junior boys and girls show the value of their well experienced training. It is indeed encouraging to see how the Intermediate and Senior groups perform with even greater skill and style each year.

Novelty Acts staged by Charlie Boudreau and Brian Chadwick and performed by the daring young skiers of Boshkung Lake thrilled the spectators. There were comedy acts, and a pyramid on skis.

A daring performance of kite skiing was executed by the skilful Ann McLaughlin, and Brian McClelland put on a sensational demonstration flying the kite without skis, using only his body to take off and land again in the water.

The swimming races as usual provided many close finishes as youthful performers puffed and flailed quickly through the water. Canoeing is another form of sport that is gaining in popularity these days and our "Mod Crowd" dipped and dived (and sank) to the delight of all who were there to watch these events.

During all these events, an

exciting sailing race was taking place further out in the lake — the first time that a sailing course had been set out for the Boshkung Lake Regatta. Many participants took part in the race, and perhaps its popularity will warrant a separate Sailing Regatta next year.

This very successful regatta always closes with a sensational exhibition of power boat racing, and this year was no exception, giving the crowd many thrill-packed moments as they surged and rocked over the choppy course.

Many fortunate people were the recipients of beautiful prizes that were given in the Lucky Draw held during the afternoon of fun. Many thanks are extended to the merchants along Hwy. 35 who donated such generous prizes: Stinson's General Store, Lorealea Lodge, Cumming's Esso Station, The Falls Snack Bar, Buena Vista Cabins, Ruby's Cottages, The Homestead, The Clansman Motel, Foster's General Store, Kinsman Lodge, Carnarvon Bake Shop, Ye Olde Hitching Post, Minden Boat Works, Gregory's Gift Shop, Harvey Russell Construction, Lil' Chick Inn, Medley's Bowl, Fletcher's Sunoco Station, Pawson Marine, Pawson Marine Restaurant, Minden Marine, Welch's Market, V. Harrison's Garage, Minto Marine and Carnarvon Lumber.

We wish to express our thanks to the Gulf Station at Minden for donating the gas for the power boats used in the regatta events.

FATHER AND SON GOOD CONDITION AFTER MISHAP

A six year old Toronto boy and his father are reported in good condition at Civic Hospital in Peterborough, following an accident near Minden.

John Christopher Frame, and John Frame, 38, of 48 Stoneberg Cres., were admitted to Civic Hospital at 10 p.m. Wednesday.

Mr. Frame was treated for lacerations to arm and head, and his son was treated for lacerations to head.

Minden OPP have not completed report of the accident and details are not available.

ST. BART'S BOYS CHOIR TO SING AT ST. PAUL'S

The well known choir of St. Bartholomew's Church in downtown Toronto will sing the Eucharist at St. Paul's Anglican Church in Minden on Sunday at 11:00 a.m., and again at 3:00 p.m. at St. Stephen's Church, Boshkung. In addition to the setting of the mass, they will sing a number of musical selections.

The St. Bart's Boys have for several years come to Camp Kandalore for a week long camp at the end of August thru the courtesy of Mr. Kirk Whipper, Camp Director. Each year during their visit they have sung in at least one of the churches of the Anglican Parish, and on occasion they have also visited the Hyland Crest Home.

Members of and visitors to the communities of Minden and Hall's Lake are especially invited to attend both services this Sunday.

CBC Radio has exclusive broadcast rights to the historic eight game hockey series between Canada and the Soviet Union. The rights, awarded by Team Canada Production, involve live broadcast coverage of the four games in Canada on September 2, 4, 6, and 8, and the four Moscow games on September 22, 24, 26 and 28. Bob Cole of CBC Sports, St. John's, will be the play-by-play commentator for the series while Toronto's Fred Sgambati will provide the colour analysis.

After an unusually long hiatus (due to the CBC strike and his regular summer break) Max Ferguson returns to CBC Radio Tuesday, September 5. During the half hour week day show Max and Allan McFee, his straight man for many years will be engaged in light talk and Max will play his own brand of records. Best of all, Max will again be doing his celebrated satiric sketches, based on the news of the day. Max feels he's had sufficient rest away from doing them (over a year) to get back into routine. "I work best under pressure", he says. "If I had till 11 o'clock at night, I still wouldn't have one ready until 10:30."

For its Labor Day program, Saturday, September 2, Identities examines those jobs associated with different ethnic groups — Chinese laundryman, Greek restaurant owner, Ukrainian farmer, etc.

CBC Tuesday Night, Sept. 5 profiles Eugene Ormandy, conductor of the Philadelphia Orchestra for over 30 years. The program traces his career from the time he began his former violin studies at the age of 5½ in his native Budapest, until he followed Leopold Stokowski in 1936 as permanent conductor of the Philadelphia Orchestra, and up to present.

Another musical highlights is a recital by singer Helen Watts, recorded at St. James Cathedral, Toronto. The New York Times praised her: "a remarkable singer, both for the rare quality of her voice which can be compared favorably with the late Kathleen Ferrier's and her solid, sensitive musicianship." She will perform songs by Purcell, Mozart, Wolf, Berg and Moussorgsky on Music-scope, Thursday, Sept. 7.

Sunday and Friends interviews singing sensation Roberta Flack on September 3.
